

David Collins:

Collins took a little while to get going in this one. He looked to defer a lot and when he did drive he was out of control. He had two charges called against him on drives and seemed hesitant after that. He came on later in the game but it was too late and the game was out of reach. He was able to get to the line and finished a really good euro step in transition. He was also good off the ball defensively as he stole two passes going into the post as a help-side defender. He will need to be more consistent and learn to play alongside Caleb Murphy in a better fashion.
