

Kendric Davis #3 (Live 3/3/2022 vs Cincinnati)

Kendric Davis is a fantastic point guard. He is able to draw fouls, make moves to drive into the paint and can hit shots from anywhere. In this game he ended up drawing a ton of fouls which still impressed me. He ended the game with 25 points and 13 of them were from free throws. Davis is a very shifty player who can break ankles and make flashy passes. He is quick and is very explosive when it comes to driving to the rim. Him being able to draw fouls all game is the main reason why SMU won this game. If Davis wasn't playing, I doubt they would have caught the win away at Cincinnati. Although his shooting wasn't as good as usual, he still performed extremely well.

Kendric Davis finished the game shooting 2-5 3PT, 5-15 FG, 13-14 FT and had 2 rebounds, 5 assists, 2 turnovers and 25 points.

Final Thoughts

Kendric Davis is a top Point Guard in college basketball as of right now. I believe he will make it to the league next year and I am very excited to see what he can do in the NBA. He can shoot, pass, get to the paint which is everything a point guard needs to be excellent. He is excellent at drawing fouls and will hit almost all of them when he is at the line.
