

Justin Moore (Villanova) 6'4" 210 SG (Film 11/26/20 vs. ASU)

Justin Moore is able to space the floor for the Wildcats. The two - guard capable of playing either backcourt position and likes to shoot the ball off the dribble. He will post up to finish drives, as most Villanova guards do. He was also the leading rebounder of the game with 12 rebounds. I would like to see him attempt to create for others more.
