

## Report #2 (film 02-08-2020 vs Hampton)

Still favors his left but can go both ways. Always seems to be near the ball when it comes to rebounding. Works best receiving the ball in the midrange area. Can play through contact. His handle is a bit loose. Very aware of when to make the right pass. Playing with a little more urgency on defense but picking up silly fouls. Used a spin move in traffic and finished for a and1. Almost lost the ball after splitting defenders but still finished at the rim. The ball does not stick in his hands. Shooting form looks good but his three point shot is not consistent. Ran pick & roll action then hit the roller with a good pass for an assist. Looks capable of running the pick & roll but does not perform the action regularly. He gets the ball when it is late in the shot clock. Looks for his shot but is not forcing them. Nothing flashy about the way he scores. He finished the game with 34 points on 11 of 20 shooting and 9 of 14 at the free throw line. Also finished with 15 rebounds and 3 blocks.
