

Report #3 (film 01-05-2021 vs Winthrop)

Wore a shooting sleeve this game. Got a steal after an opponent tried to split him and his teammate. Then finished with a dunk in transition. Committed a turnover after throwing a lazy pass. Looks like he put on some more muscle to his frame. Showed extended range on his three point shot. Still shows the ability to play through contact whether it's a layup or a contested jump shot. His jump shot looks more fluid especially at the three point line. Very smart in transition. Knows when to attack and when to pass. Used his length to tip and steal a bounce pass then took it all the way to the other end for a layup. Stays at a steady pace the entire game. Had very active hands and forced a lot of turnovers. He finished with 33 points on 12 of 20 shooting and went 5 of 9 from 3. Also finished with 7 rebounds and 4 steals.
